

## **BICKENHILL & MARSTON GREEN PARISH COUNCIL RETENTION OF DOCUMENTS POLICY**

### **Retention of documents**

Attached is a list indicating the appropriate minimum retention period for documents.

Documents should be retained for audit, staff management, tax liabilities, and the eventuality of legal disputes and legal proceedings.

### **Retention of documents for legal purposes**

The below table lists the limitation periods of time where legal claims may be brought under the Limitation Act 1980 (as amended). The 1980 Act provides that legal claims may not be commenced after a specified period.

<b>Category</b>	<b>Limitation Period</b>
Negligence (and other 'Torts')	6 years
Defamation	1 year
Contract	6 years
Leases	12 years
Sums recoverable by statute	6 years
Personal Injury	3 years
To Recover Land	12 years
Rent	6 years
Breach of Trust	None

Where the limitation periods above are longer than other periods specified in the attached annex, the documentation should be kept for the longer period specified.

### **Data Protection and Freedom of Information Considerations**

The Lord Chancellor's Code of Practice on the Management of Records issued under section 46 of the Freedom of Information Act 2000 applies to public authorities and also bodies which are subject to the Public Records Act 1958 (the 1958 Act). Although local councils are not subject to the 1958 Act, they should familiarise themselves with the contents of the Code of Practice so they can formulate their own system of records management.

The General Data Protection Regulations (GDPR) will be applied from 25<sup>th</sup> May 2018. Under the GDPR, the data protection principles set out the main responsibilities for organisations.

Article 5 of the GDPR requires that personal data shall be:

- a) processed lawfully, fairly and in a transparent manner in relation to individuals;
- b) collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purposes;

- c) adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed;
- d) accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay;
- e) kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes subject to implementation of the appropriate technical and organisational measures required by the GDPR in order to safeguard the rights and freedoms of individuals; and
- f) processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.
