Notice of ongoing lane closures on and around Northway Island

June 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and Murphy & Sons, known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We're preparing for our highways programme

During 2020, we will improve and expand sections of the existing road network in the area, and construct new routes on HS2 land, which will connect to four new highway bridges. These road improvements will ensure that when the future station is operational, the local road network is fit for purpose. In preparation for this programme, we are creating new drainage and pedestrian footpaths on and around Northway Island, as part of an ongoing programme that commenced in March 2020.

We'll be continuing work until Friday 26 June

To carry out our work safely, single lane closures will remain in place until Friday 26 June on and around Northway Island. Our working hours will be 7am to 6pm, but some traffic measures will remain in place 24-hours. We will work Monday to Friday, however we may extend our works into the weekend if required.

Additional single lane closures will also be installed on Tuesday 16 June only, which vary from the traffic measures taking place from Monday 8 June to Friday 26 June (see maps on next page).

HS2 during the coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Single lane closures on and around Northway Island will remain in place until Friday 26 June.

Our working hours will be 7am to 6pm, but some traffic measures will remain in place 24-hours.

What to expect

Some weekend working may be required.

You will still be able to travel along all routes in both directions.

What we will do

Keep all sites safe and secure.

Ensure clear signage is in place for drivers.

Leave the area in a tidy state when works are complete.

Responding to the coronavirus pandemic

Following UK government advice to stop non-essential social contact and avoid unnecessary travel during the coronavirus pandemic, **we have taken the decision to postpone our public engagements and events.** We are looking at alternative ways of communicating with you over the coming months as our works continue.

The HS2 Helpdesk remains operational all day, every day, if you need advice or information from HS2. You can contact the Helpdesk on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Our works programme and traffic measures may change as further guidance from the government is received. We advise subscribing for live news updates about HS2 in Solihull at: www.hs2insolihull.co.uk

HS2's Interchange Station becomes the first railway station in the world to get top award for environmentally friendly design

The future HS2 Interchange Station has become the first railway station globally to achieve the BREEAM 'Outstanding' certification – a measure of sustainability for new and refurbished buildings – putting it in the top 1% of buildings in the UK for eco-friendly credentials.

This landmark award recognises the station's eco-friendly features, including maximising natural daylight and ventilation, a station roof design that will capture and reuse rainwater, and features to enable net zero carbon emissions from day-to-day energy consumption.

BREEAM is the Building Research Establishment's Environmental Assessment Method. It sets the standard for best practice in sustainable design and has become the de facto measure used to describe the sustainability performance of buildings.

For more information about the future Interchange Station, visit: www.hs2insolihull.co.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
